REQUESTED ACCS RACING NUMBER G- _____

We the undersigned do hereby notify the Unlimited Light Hydroplane Racing Association of our intent to build an NORTH AMERICAN CHALLENGE CUP SERIES hydroplane. We have received and read the Bylaws of the Unlimited Light Hydroplane Racing Association and the current NACCS rules. We agree to build said hydroplane according to the information and contents of these pieces of literature. We acknowledge the provisional state of the current rules and agree to comply with any changes as they occur. We agree to have the hull inspected while under construction. The first inspection shall be prior to deck installation.
