

## 21' Swiftsure Tunnel Hull Powerboat

Tunnel catamaran hull designed by unlimited hydroplane legend Ted Jones.

Epoxy honeycomb foam-core construction – extremely light and strong.

Small cuddy cabin – sleeps two.

Wide walk-around decks – great for fishing, skiing, cruising.

200hp V4 Suzuki outboard with stainless steel propellor.

Brand new optically clear polycarbonate dodger windows.

Boat has two new batteries & dual battery selector, new fuel/water filter.  
Trailer has new axle, new bearings, new tires and new tongue jack.

Rides great & goes like hell.          Asking \$11,995 obo.
